

# Flute lessons

with Frieda Jacobowitz

an enthusiastic and experienced flute teacher  
in Amsterdam-Zuid & Amstelveen

## For whom?

From beginners to advanced players. You can start at any age from 6 on.

Would you like to know more? Scan this QR code.

## Why play flute?

- It's a beautiful instrument with varying timbres
- It's affordable
- It's easy to take with you
- It's possible to play in many styles and genres
- Making music with others is possible at all levels

## What are the flute lessons like?

- Private lessons
- Lessons at Platform C in Amstelveen
- Lessons alone or together with someone else possible
- Performance opportunities every season
- Ensembles available
- From 30 to 60 minutes
- An enrichment project every year, for example about: Brahms, musicals, etudes, baroque music, music from 1900 on, different styles in music and more
- Instruction in music history, music theory and composing your own music

## A little about myself

I have lived very happily in The Netherlands since 1983. Giving flute lessons is one of my passions. I find it highly gratifying to share my passion for music and flute playing with my students.
